*Isis Parthenos*. 2007. Acrylic on canvas. 12" x 12".

**BIOGRAPHY** Vincent Cruz is an animated young artist born in Manila, Philippines. Vincent possesses a remarkable memory and a passion for all things related with natural and ancient history and mythology. His wild imagination has resulted in fantastical works of mythological art and the surprisingly tender and insightful portraits featured here. He studied at Sheridan College and at the Central Technical School Art Programs. His work has recently been exhibited in AWOL Gallery's annual *Square Foot* Exhibition.

detail of *Miko*. 2006. Acrylic on canvas. 24" x 30".

**ARTIST STATEMENT** "I am sometimes told that I have a skewed view of people—as if through a lens. When I paint a portrait, I create an idealized version of the subject, capturing them as I see them—not quite depicting them as I'd like to see them. To me, this is who they already are..."
